SOLANDRA LODGE "JUST PASSING THROUGH" DEAL

Are you "passing through" Central Otago this summer, looking to "do something new"? Can we entice you to stay a night with this perfect deal? Combine a day's cycling on the BEST section of the Otago Central Rail Trail AND a night's accommodation in the idyllic Ida Valley (film location to so many movies now we don't have room to list them). We can arrange this journey to suit you, cycle and stay on the same day, or stay and then cycle the next day. Simple!

Accommodation

Spend a relaxing evening at Solandra Lodge, situated on 10 acres and looking out on the magnificent Hawkdun Range and the dramatic sunsets of Rough Ridge. You get the whole lodge to yourselves and you can kick back at the end of the day watching a movie on the projected home theatre system or simply soaking up the environment.

Blacks Hotel and the Omakau Commercial Hotel are close by for you to enjoy a hearty pub meal, grab some takeaways from the Muddy Creek Café or self-cater. For fine dining you can't go past Pitches Restaurant in Ophir.

Cycling

Shebikeshebikes will transport you from Omakau up to Oturehua (30km) or Wedderburn (42km). From there you cycle back down to Omakau (yes that is downhill), passing through the Poolburn Gorge, the most popular section of the Otago Central Rail Trail. Choose from regular hard tail MTB's or our Comfort fleet. Need an E-Bike, not a problem, just pay the upgrade fee (subject to availability).
